

**Friend for Life
Cancer Support Network**

I am scared.

I don't deserve this.

Can I keep doing my job?

Why me?

I won't give up now!

How will I tell my kids?

Will Grandpa be okay?

We will work through this!

Will I recover?

Cancer sucks. I don't want to face this.

I'm so worried.

This isn't fair.

Face cancer with someone who's been there.

Friend for Life can help.

Friend for Life can pair you with a trained volunteer who has been through a similar cancer experience.

We are a network of cancer survivors and caregivers who provide one-on-one emotional support and understanding to help you navigate through fears and uncertainties.

Since 1988, we've helped thousands of people navigate their path through diagnosis, treatment and recovery.
